

KOTARO FUJISAKI

PhD Student at University College London, Department of Economics

kotaro.fujisaki.22@ucl.ac.uk

RESEARCH INTERESTS

I study development and labour economics, with a primary focus on Asia. My research interests include:

1. Policy design and public goods provision in developing country contexts;
2. How social/cultural norms shape the behaviour of individuals and firms;
3. Occupational sorting shaped by wages and non-wage amenities.
